

LONDONDERRY UTILITIES COMMITTEE
ENERGY SUBCOMMITTEE MEETING Minutes

March 30, 2024 – 10:00 AM

Sunnycrest Conference Room

- I. Attendees: Lynn Wiles, Mike Speltz, Paul Ramsey, John Mahon, Joy Muller
- II. Called to Order at 10:02AM
- III. Public Comment- None
- IV. New Business
 - a. Discussion on working with staff to develop processes to explore and manage grant applications.
- V. Old Business
 - a. Community Power Aggregation-
 - a. Planning for an October/November implementation date. Will work with FEL/CPG to determine steps and timing to get there.
 - b. The aggregation presentation to the TC needs to explain “why” in clear and concise language. Also, recommendations to the presentation will be made to present the project in laymen terms.
 - b. Auburn Road Solar Farm
 - a. Nobis-Group (Engineering) and Luminia (Finance) will present their vision of a solar farm for Auburn Road at the April 2 Utilities Committee meeting.
 - c. Block Grant Applications
 - a. Potential use for block grant money is to fund an energy audit of the town owned buildings. Will reach out to schedule a separate meeting with staff on this.
 - d. Community Heating Oil Aggregation
 - a. The Town Manager is recommending that the committee not pursue a town sponsored home heating oil community aggregation project on the advice of legal council (no statutory enabling legislation exists for this type of program) and due to staff availability at Town Hall to manage the project.
- VI. Meeting adjourned at 11:35AM
